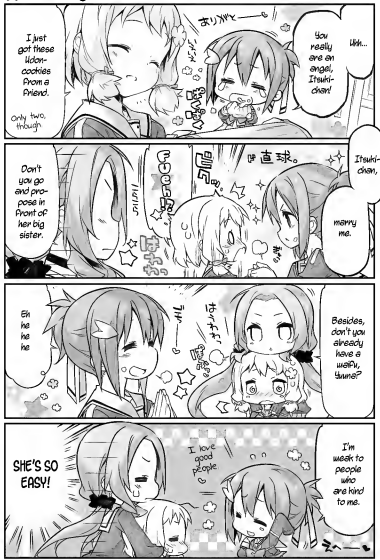
☆Feeding

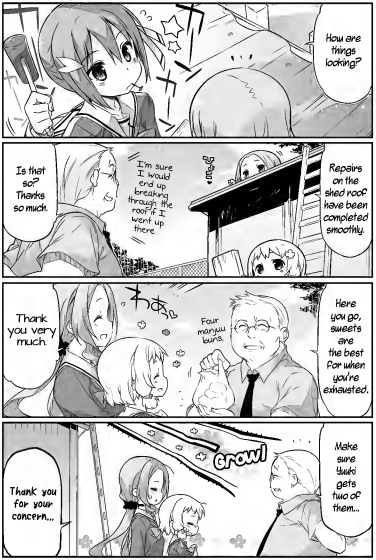


I just got these udon-cookies from a friend.
Only two, though.
Uhh...
You really are an angel, Itsuki-chan!
Itsuki-chan, marry me.
Don't you go and propose in front of her big sister.
Eh he he he
Besides, don't you already have a wife, Yuna?
I'm weak to people who are kind to me.
I love good people
SHE'S SO EASY!

☆At the clubroom

Oh.
Yuuki Yuuna reporting in late!
HUFF-PUFF
You're late, Yuuna!
She finally came, huh.
Thanks for coming, Yuuna!
UNDER-STOOD! CHIEF INUBOU-ZAKI!
Wow now, Onee-chan!
You're late AND we're already missing a club member today as it is! We have no time to waste.
Dislikes managing schedules
I'm so hungry that I can barely move.
I over-slept and couldn't eat break-fast

✲Pardon me



How are things looking?
Repairs on the shed roof have been completed smoothly.
Sigh
I'm sure I would end up breaking through the roof if I went up there.
Is that so? Thanks so much.
Here you go, sweets are the best for when you're exhausted.
Four manyuu buns.
Thank you very much.
Make sure Yuki gets two of them...
Growl
Thank you for your concern...

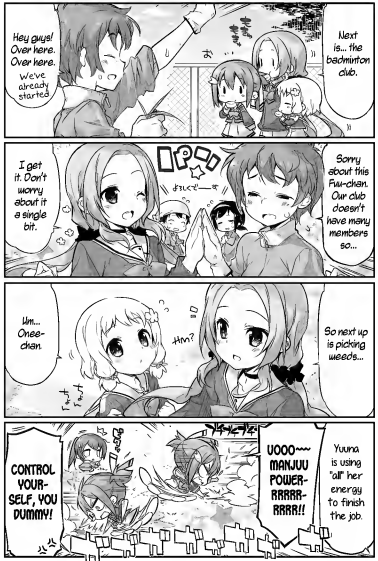
✲Motivation dropping

It's a half-holiday today so there's many requests.
Everyone, get into the spirit and let's head out!
OOO~~!
Fuu-sen-pai!
It seems my stomach can't stop growling.
First up is the staff room.
DEAL WITH IT.
Sen-sei, we're here to help with your request!
Oooh, thank you for your trouble.
JUST DRINK THIS. NOW.
Cool!
Okay.

☆A sweet girl

That girl is truly...
...We're finished in just five minutes.
ヒュオォォォォ…
Y-Yunna!
You two can come back over here now.
Hey...
Hey...
I... did well, right?
I have apples to share.
There's honey lemon slices too!
Ah, do you guys happen to be hungry?
Well, that is one of her strong points.
What a sweet girl Yukichan is♡
She gets along with everyone so quickly.
Sorry there's nothing but fruits
I LOVE YOU ALL ～♡

☆A girl at full power



Hey guys! Over here. Over here.
We've already started
Next is... the badminton club.
I get it. Don't worry about it a single bit.
Sorry about this Fun-chan. Our club doesn't have many members so...
Um... Onee-chan.
Hm?
So next up is picking weeds...
CONTROL YOURSELF, YOU DUMMY!
UOOO～～ MANJUU POWERRRRRRRRR!!
Yuuna is using "all" her energy to finish the job.

✲The children will cry

Last is... the nursery?
We're helping with the activites but
we really have to think of some new ones soon.
The kids will get bored!

I have something!
I brought a picture-story show that I borrowed from the library.
There's two of them.
GREAT JOB, ITSUKI!
You deserve a pat on the head!

Me too!
I brought some new pressed flowers that I made!
I was gonna give them to the kids!
THEY'VE BEEN EATEN BY BUGS!! THAT'S KIND OF CREEPY ...
They're cry!

✲Tug of war

Thanks for always helping out.
We don't mind. We look forward to this ourselves.
W- Who wants to watch a picture story show!
